

25X1A9a

Chief, Document Division  
CIA Librarian

10 March 1961

Chief, Machine Division

Intellofax Reference Group and Intellofax Services

25X1A9a

[REDACTED] is detailed as the Machine Division member of the Intellofax Reference Group. He is also designated to maintain all Library and Document Division programs. Please advise your staff that operational and procedural matters relating to projects carried out in common with Machine Division should be discussed with [REDACTED]. I have particular confidence in [REDACTED]'s ability to resolve machine problems and to represent the Division in the important programs which we share with the Library and Document Division.
